- **I WANT TO SHARE SOMETHING HORROR RELATED WITH THE WiHM COMMUNITY. HOW DO I DO THAT?**

People frequently share great projects or interesting events that happen outside of February with us. - **IS THE TWISTED TWINS PRODUCTIONS' MASSIVE BLOOD DRIVE AN OFFICIAL PART OF THE WiHM ORGANIZATION?**

Yes. Every year Jen Soska and Sylvia Soska produce an original Women in Horror Month PSA encouraging you to face your fears and donate life-saving blood. While the official PSA is done every year, we highly encourage you to pick up a camera and take this opportunity to make a short blood-filled PSA all your own. Send it to us, and we will include it in our official WiHM Blood Drive PSA Film Festival and year-round gallery. Donate blood. #InYouToGive.
